Experience

Product Designer - EazyDiner

Aug 2025 - Present

- As a product designer, worked on referral program for new user acquisition and revamping eazypoint redemption for better discovery of vouchers.
- Designed and optimised homepage visuals and UI for various promotional events, ensuring a seamless and visually compelling user experience.
- Took initiative in upgrading EazyDiner app from static to motion forward platform for better user experience.
- Working to establish design system throughout the app by creating assets both 2D and 3D form.

Animation Intern - HappCoach Media

Jul 2024 - Aug 2024 (2 months)

- Worked on creating animated training and explanatory videos from scratch for clients like ICICI Bank, Air Asia, and India Oil using Vyond Software.

Assistant Manager - Jubilant Ingrevia

Aug 2019 - Aug 2024 (4 Years)

- Lead a team of 8 people from multiple departments to ensure the safe and smooth operation of one-of-a-kind chemical plant in India.
- As a digital translator, I represented Gajraula site in a joint venture with McKinsey to bring digital revolution at ground level.

Design Highlights

Referral & Reactivation Growth System - EazyDiner

Redesigned EazyDiner's referral and reactivation system — fixing reward triggers, building contact-level targeting across 4 user states and fraud prevention. Shipped across India and Dubai markets.

- 4.8x** referral initiation rate (8% → 39%) · **6x growth** in daily transacting customers in **week 1**
- 3,671 users referred in 10 days · 1,026 transacted · **92% first-time paying customers**

EazyPoints Redemption Revamp - EazyDiner

Redesigned the EazyPoints loyalty and voucher redemption experience to drive points activation among disengaged users. Introduced visual-first voucher cards, a horizontal swipe carousel for frictionless discovery, and surfaced validity and eligibility upfront.
